## Rejoice! He has risen!

On Easter we celebrate the historical event of Jesus' resurrection after dying on the cross for each and every one of

us so that we may be saved. Our Easter message is one of new life and hope. It is a time of renewal and "second chances" for each of us, to look at our own lives and open our hearts to the Lord for guidance and direction. Jesus didn't just say, "I am finished." He said, "It is finished." He was just getting started and He is not done with us until we enter the doors of heaven.

The Easter miracle is God's ultimate display of unconditional love for the people and world He created. "For God so loved the world that He gave His only begotten Son, that whoever believes in Him shall not perish, but have eternal life." We celebrate the greatest day in history, when Jesus rose from death, defeated darkness and bathed the world in stunning Resurrection Light! May we live to praise Him and follow his example.

Lord, as we gather together as family and friends this Easter, we thank you for this greatest of all sacrifices and for all you have given us. Thank you for the blessings of our individual and collective God-given gifts. Place in our hearts the desire to make a difference to our families, to our community and to our country. Give us balance in times of distraction and uncertainty. Help us to live in peace and grace.

May your Easter season be filled with peace, joy, happiness and beautiful weather! And may your Easter basket be filled an abundance of love and gratitude. Let us have hearts of thankfulness on this Easter and every day. God Bless you and your loved ones during Holy Season.

Fr. Art
